

TAKE YOUR CAREER TO NEW HEIGHTS !

TUSDEC (Technology Upgradation and Skill Development Company) in collaboration with C & G (City and Guilds) is offering Engineering Council UK Examination in Pakistan. C & G is the world's largest international vocational qualification awarding body with a presence in over 135 countries. It offers more than 500 different qualifications covering every occupational sector. C & G provides a unique opportunity to technicians and engineers to enhance their professional development needs in a flexible manner while adding international recognition.

TUSDEC invites engineering professionals in Pakistan to acquire globally recognized qualification without formally attending full time university studies abroad.

Why should you take the Examination ?

- International recognition
- Better employment mobility
- Built-in learning flexibility
- Structured externally set examinations
- Brighter chances for overseas immigration
- State-of-the art learning
